Management: As Fiscal Agent, COM designates a portion of all monthly governance meetings to discussing invoice procedures, pass-through process, requirements, state reporting, activities of consortia colleagues specific to funding and related questions. Designated consortium workshops and individual agency meetings with Fiscal Agent accounting representatives are planned and will ensure funding to flow seamlessly between agencies. Fiscal Agent has created a member template excel spreadsheet which supports accounting by program, object code and objective. Expenditures data must be submitted for each participating Member agency as a single a comma-separated values (.csv) file for each Consortium. To help ensure the consistency and accuracy of data collected, as well as minimize the administrative burden on Consortium Members, the AEBG Office has developed tools to support collection and reporting of Consortium expenditures data. These include a Member Expenditures Form that Consortia may use to collect data from Member agencies, and a Consortium Expenditures Workbook with built-in automations to import and export Member / Consortium data with the click of a button. Instructions for use of these tools, as well as a sample workflow document and export file may be found in Consortium Expenditures Workbook.

While it is not required that Consortia use these tools, expenditures data must be submitted in the format produced by the Consortium Expenditures Workbook. Consortia using other tools to produce this report are strongly encouraged to reach out to the AEBG Office to ensure their files meet the specifications of the AEBG Office prior to submission. Once you have prepared your Consortium Expenditures file, upload it here for submission with your 2016 – 17 Annual Plan.
